

NERI

The series includes a litter bin, a planter, a bicycle rack and a bench. The soft lines of these products match the ones of the Saiph lighting system. The wavy bench has a LED light at the base, which distinguishes the product improving visibility at night time.

La serie si compone di cestino, fioriera, portabici e panchina. Le linee addolcite di tali prodotti di arredo vengono abbinate a quelle del sistema di illuminazione Saiph. La panchina dalla forma ondulata prevede una luce LED nel suo basamento che la caratterizza e rende visibile nelle ore notturne.
