Bench

Panchina

The bench Dhalia features two cylindrical side supports that continue with the Mizar pole bases.

La panchina Dhalia è caratterizzata da due sostegni laterali cilindrici in continuità con le basi dei pali Mizar.

Bollard

Dissuasore

The cylindrical bollard Dhalia, which is identical to the side supports of the bench, has side rings to pass a chain, if required.

Il dissuasore Dhalia a forma cilindrica e identico ai sostegni laterali della panchina, è dotato di anelli laterali per l'eventuale passaggio della catena.
