

# NERI

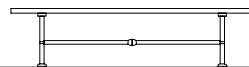

The series, like the matching lighting system Kuma, approaches the classical style with simplicity of decoration. It includes a bench, a conical bollard in two different sizes and railing.

**Nyssa, come il sistema di illuminazione Maia al quale è abbinata, indirizza lo stile classico verso la semplificazione della decorazione. È composta da panchina, dissuasore conico in due altezze e transenna.**

# Bench

## Panchina

Nyssa benches are designed by Domenico Neri. A bench and a perfectly matching seat with backrest.

**Le panchine Nyssa sono state disegnate da Domenico Neri. Una panca e una panchina con schienale perfettamente coordinate fra di loro.**

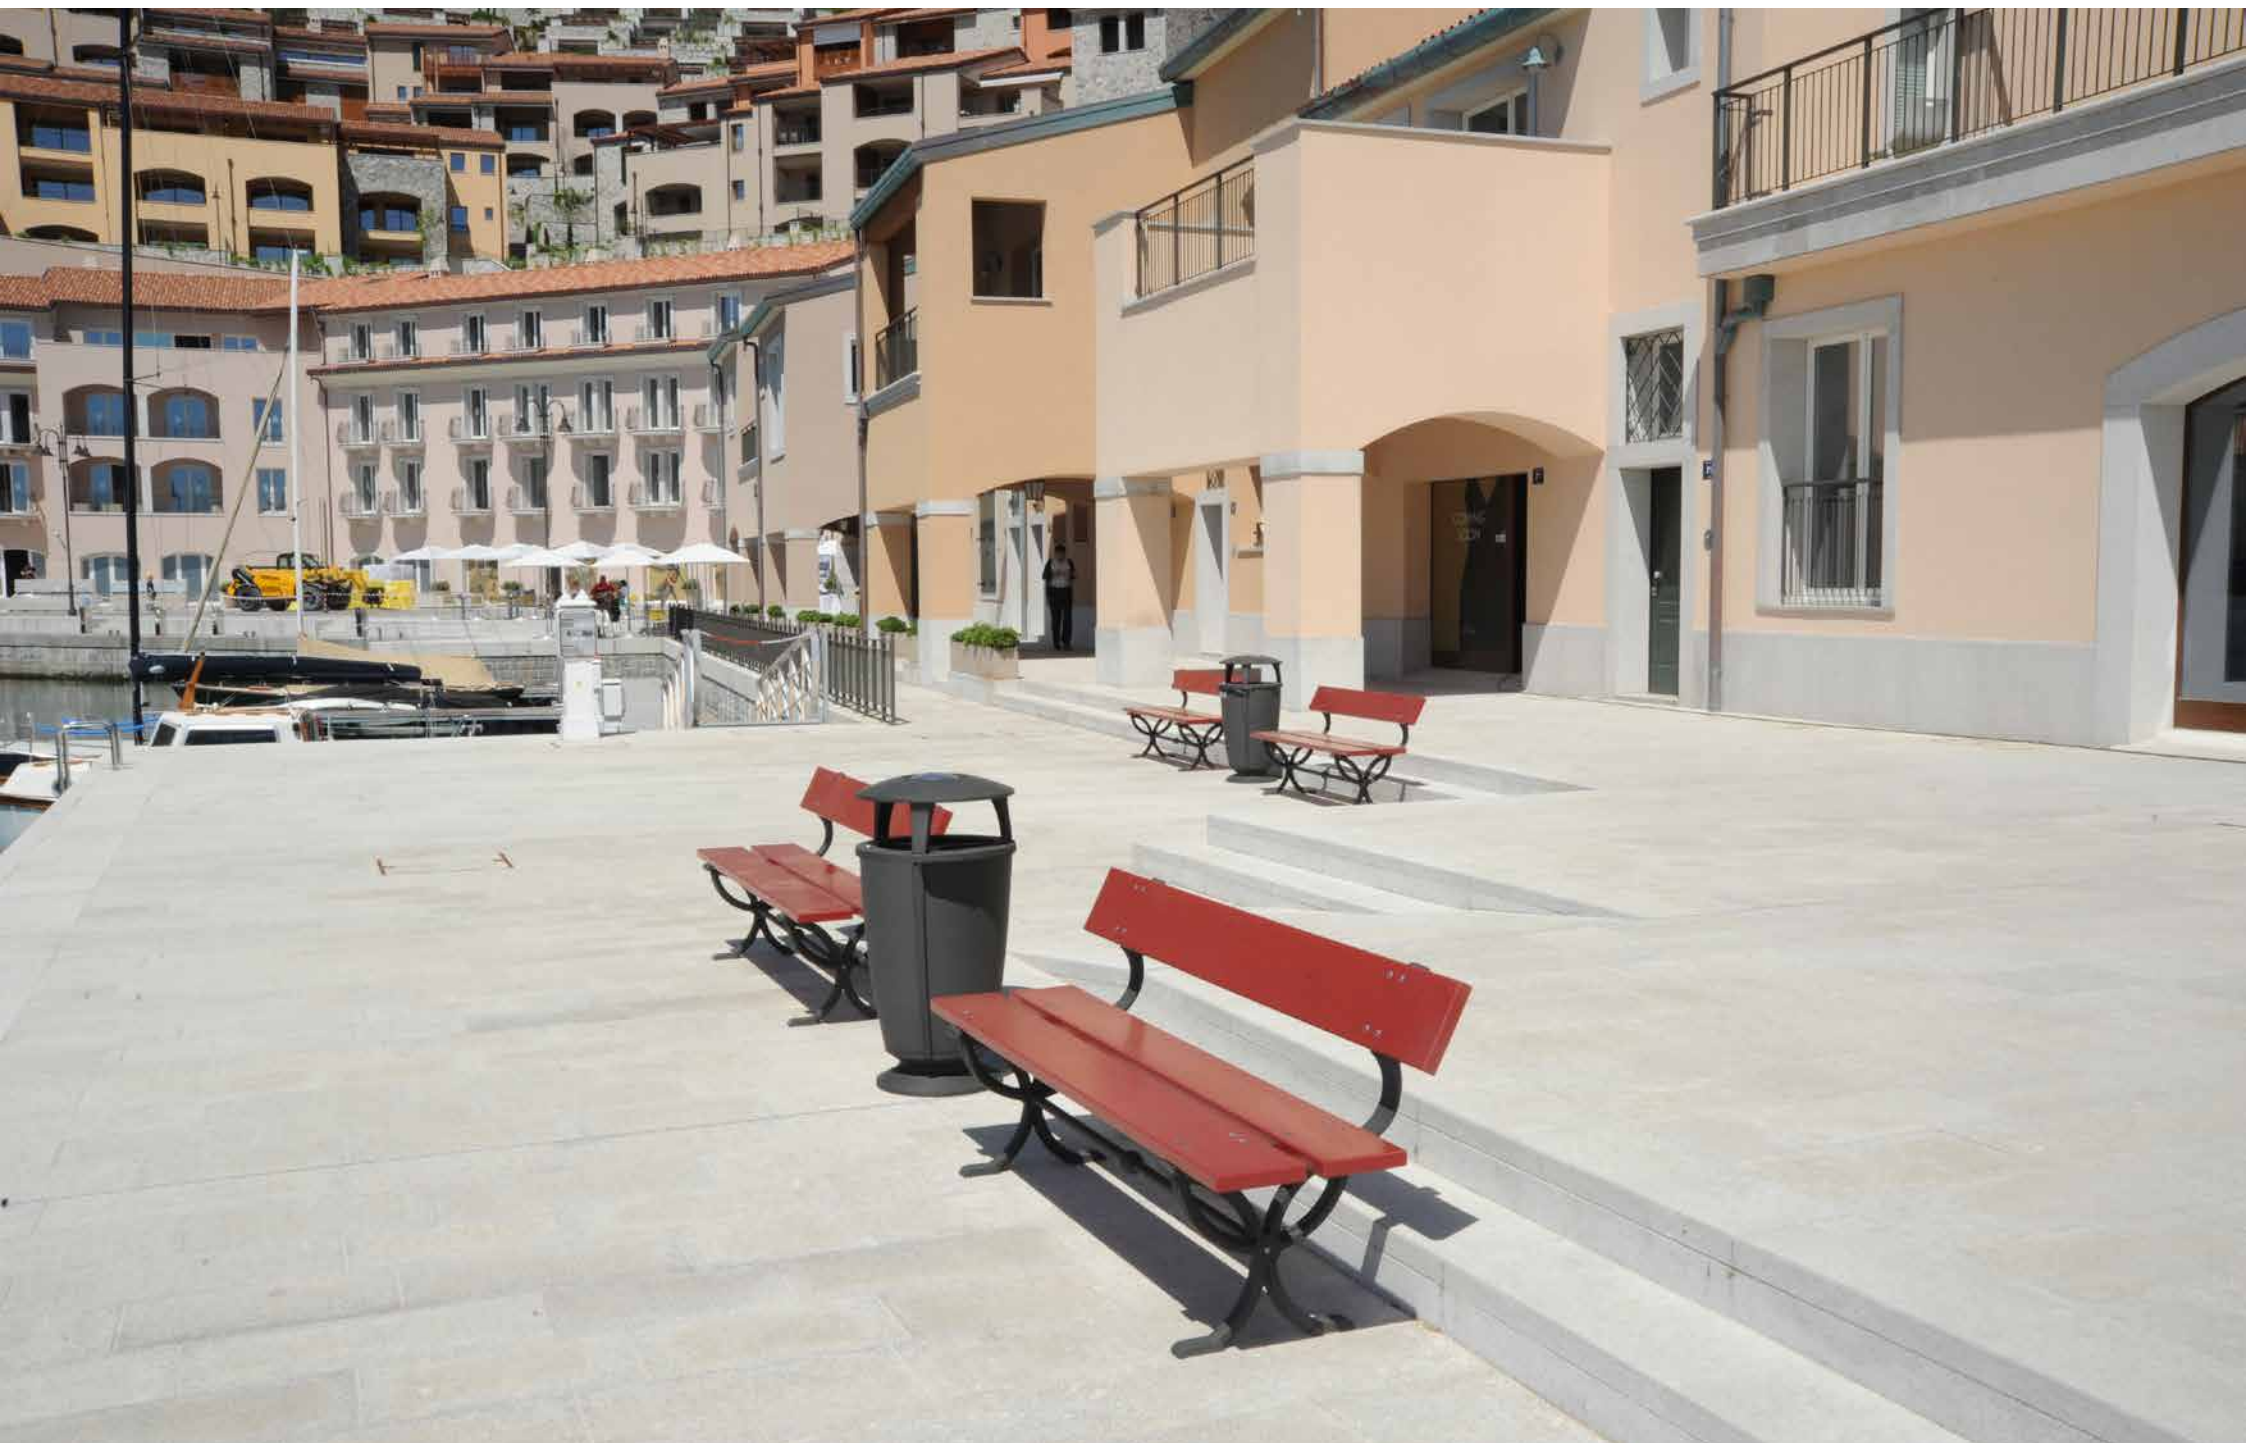

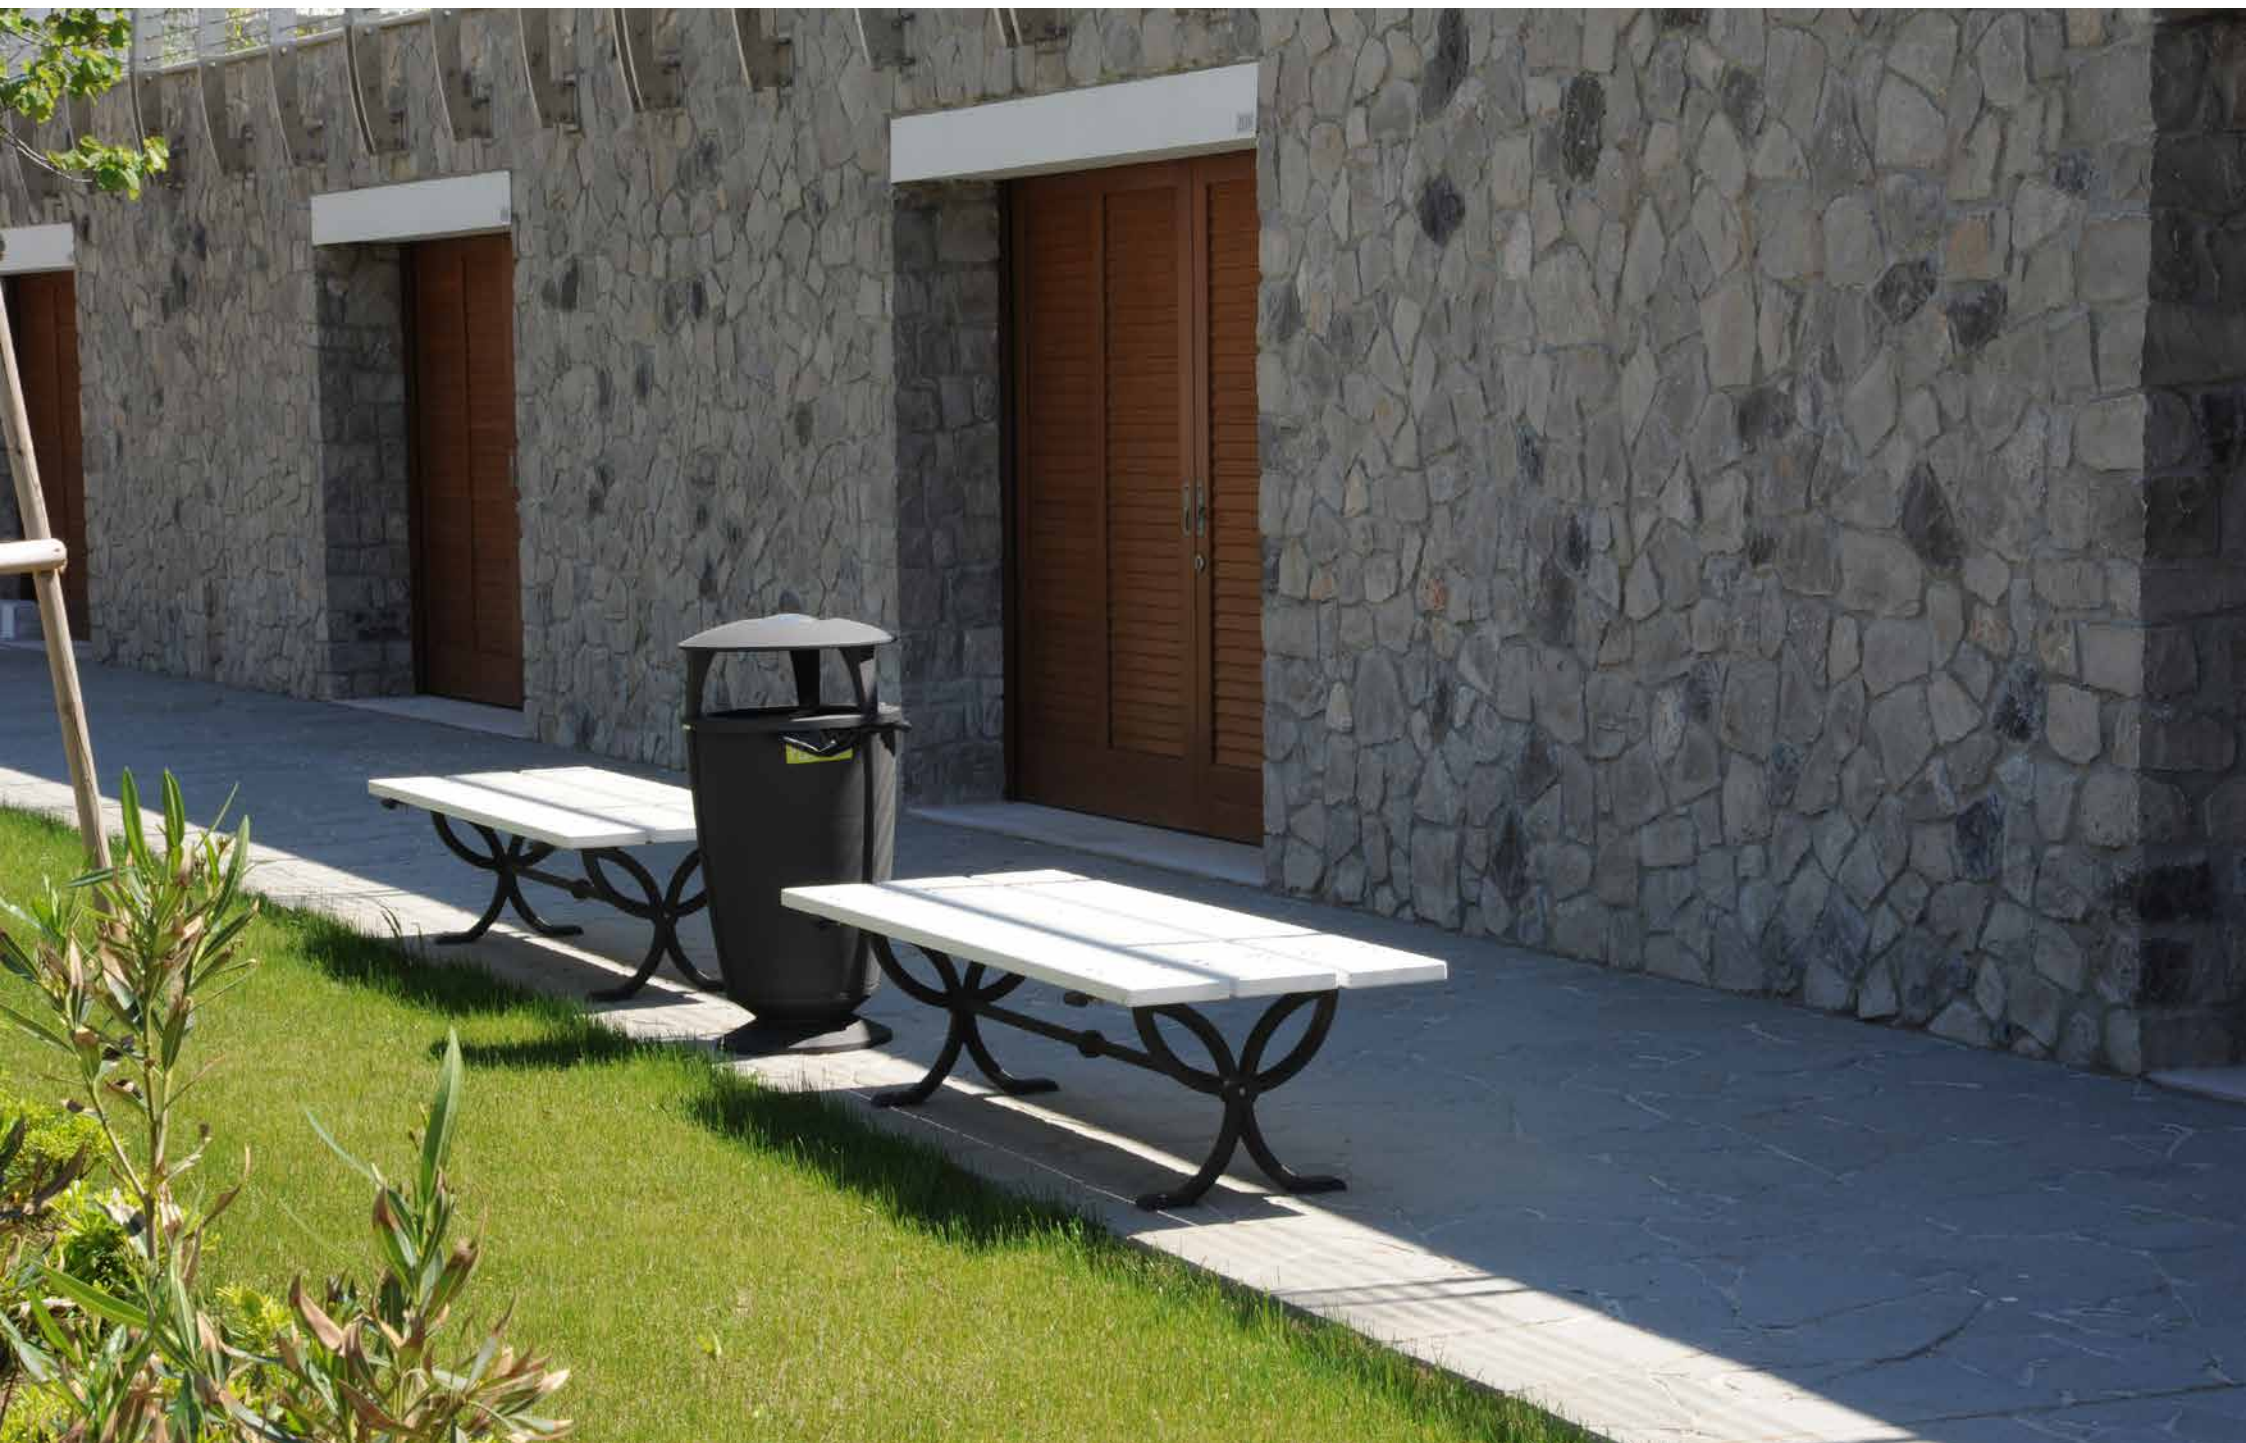

# Bollard

## Dissuasore

The Nyssa collection envisages two identically shaped bollards with different heights, simple and harmonious conical bollards.

**Nella serie Nyssa sono previsti due dissuasori di forma analoga ma di diversa altezza, dissuasori dalla forma conica semplice ed armoniosa.**
