

This presentation is dedicated to the signs produced by Neri. There are many models both simple and decorated, able to integrate seamlessly with the different urban spaces where they are installed. The situations here documented allow to evaluate the different typologies in various contexts, many case studies to refer to for your next projects.

Dedichiamo questa presentazione alle paline prodotte da Neri. Si tratta di molti modelli con linee sia semplici che decorate, in grado di integrarsi perfettamente ai diversi spazi urbani in cui vengono installate. Le tante situazioni qui documentate permettono di valutare le diverse tipologie nei contesti più vari. Tanti casi esemplari cui poter fare riferimento nelle nuove progettazioni.
